Dear Hussain Ahmad,

We hope this message finds you well. On behalf of the Organizing Committee, we are delighted to extend a formal invitation for you to be a distinguished speaker at the upcoming World Conference on Cybersecurity, Data Science & AI Innovation, scheduled to take place from June 07-09, 2027 in Singapore, Singapore.

Your expertise and impactful published article titled "*Explainable autonomous cyber defense using adversarial multi-agent reinforcement learning*" have caught our attention, and we believe your participation will greatly contribute to the success of the event.

Please confirm your acceptance at the earliest, so that we can provide you more with the conference details. Thank you for your time and consideration.

For enhanced and convenient communication, please feel free to reach out to us via WhatsApp at [+44 7360501524] or [+447380345362].

We look forward to connecting with you.

Thanks and Best Regards,

Dear Sir/Madam,

Hussain Ahmad has been invited to attend the 37th International Conference on Tools with Artificial Intelligence (ICTAI 2025), which will take place in the Royal Olympic Hotel, Athens, Greece from the 3rd to the 5th of November 2025.

Hussain Ahmad will be presenting the paper with title: "SCALAR: Self-Calibrating Adaptive Latent Attention Representation Learning"

Hussain Ahmad paid the registration fee of **700.00** EUR.

More information about the conference, program and activities can be found at:

APSEC 2025

Dec 2-5, 2025 | Wynn Palace, Macao SAR

Invitation Letter for APSEC 2025

To Whom It May Concern,

I am writing to confirm that **Hussain Ahmad** will be attending the APSEC 2025 conference as a participant, whose contribution to the conference has been accepted into the program.

The Asia-Pacific Software Engineering Conference (APSEC) has long been established as a leading regional conference that gathers researchers and practitioners from academia, industry, and government to exchange knowledge and best practices in software engineering, and to address emerging challenges and solutions in software engineering innovation. This year's APSEC will be held at Wynn Palace in Macao SAR, China on December 2-5, 2025.

Please consider this letter to be an official invitation to facilitate the processing of visas and/or other documents needed to be able to attend the conference for:

Name: Hussain Ahmad

Affiliation: The University of Adelaide, Australia

Nationality: Pakistan

Please note that the above-mentioned delegate is responsible for the payment of all fees and expenses related to the participation in the conference as well as any necessary insurance for health and travel. This invitation letter does not include any financial aid such as waived fee, financial support, or free accommodation. We look forward to seeing you in Macau.

For any inquiries, please contact Conference Secretariat via apsec2025@iccmacao.com.

Sincerely,

Prof. Tao Zhang
General Co-Chair, APSEC 2025
School of Computer Science and Engineering

4 - 8 JUNE 2024 * IIIT HYDERABAD, INDIA
**21ST IEEE INTERNATIONAL CONFERENCE
ON SOFTWARE ARCHITECTURE**

To Whomsoever It May Concern,

We are pleased to extend an invitation to **Hussain Ahmad** to attend the 21st IEEE International Conference on Software Architecture (ICSA 2024), which will be held from June 4th to 8th, 2024, at the International Institute of Information Technology, Prof. C R Rao Road, Gachibowli, Hyderabad 500032, Telangana, India. ICSA is the premier venue for practitioners and researchers interested in software architecture, component-based software engineering and quality aspects of software and how these relate to the design of software architectures. We expect around **150 delegates** to attend this conference, including more than **60 international participants**. More details can be found on the conference website: <https://conf.researchr.org/home/icsa-2024>

Considering the above, we kindly request your assistance in facilitating any necessary entry clearance for **Hussain Ahmad** to India to ensure their seamless participation in the conference. The participant's details are as follows:

- Full Name: Hussain Ahmad
- Nationality: Pakistani
- Date of Birth: 2/26/1994
- Passport number: SU1169442
- Date of Issue: 9/25/2020
- Date of Expiry: 9/24/2025

We appreciate your consideration and look forward to welcoming Hussain Ahmad to India for IEEE ICSA 2024.

Sincerely,

Invited Talk – CSIRO Technology (formerly CSIRO's Data61), Melbourne (2024)

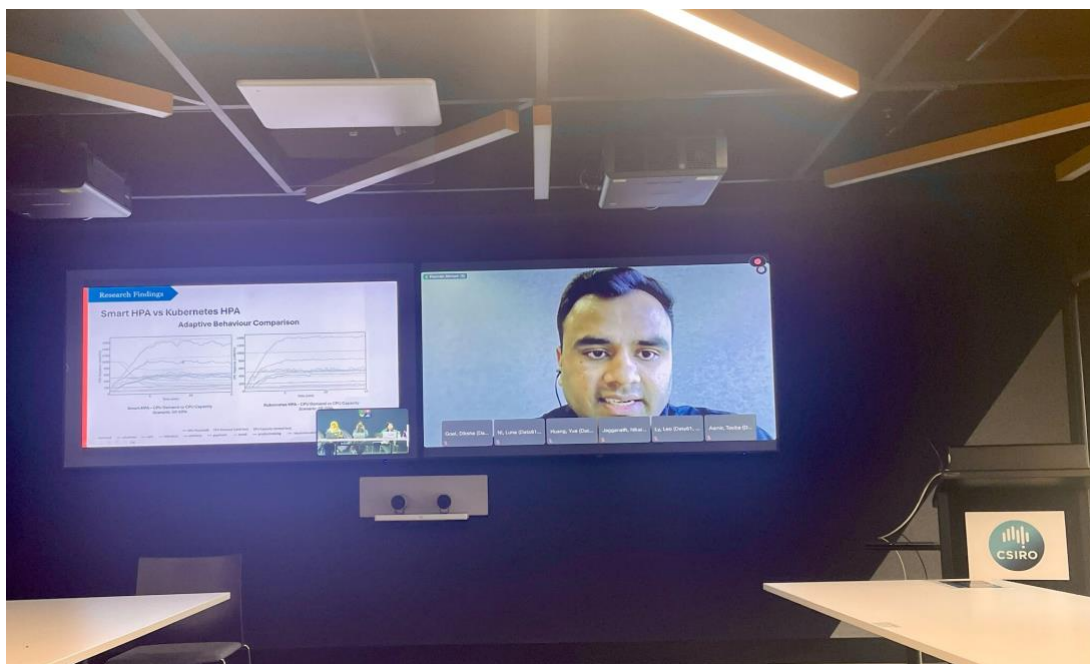

Topic: Smart HPA: A Resource-Efficient Horizontal Pod Auto-scaler for Microservice Architectures

Details: <https://lnkd.in/p/geEbu2e4>

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide titled "My Talk Focus: Varying Workload". The slide content includes:

- Smart HPA: A Resource-Efficient Horizontal Pod Auto-scaler for Microservice Architectures**
- 21st IEEE International Conference on Software Architecture (CORE Rank A)**
- Four speaker portraits and names:
 - Hussain Ahmad, University of Adelaide
 - Christoph Treude, University of Melbourne
 - Markus Wagner, Monash University
 - Claudia Szabo, University of Adelaide
- A QR code with the text "Scan the QR code to access the preprint".
- The University of Adelaide logo.

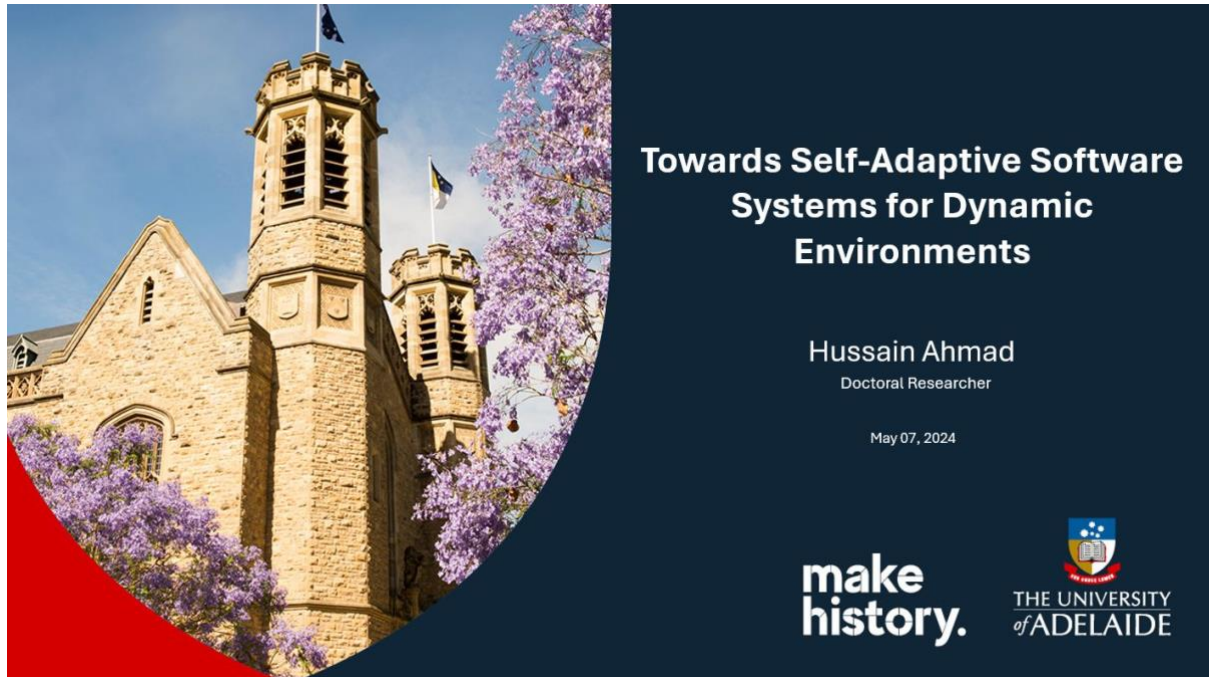

The Zoom interface includes a top toolbar with icons for Take control, Pop out, Chat, Q&A, People, Raise, React, View, Apps, and More. A right sidebar shows a list of participants, including Hussain Ahmad (External) and others. The bottom of the screen shows a small video thumbnail of the speaker.

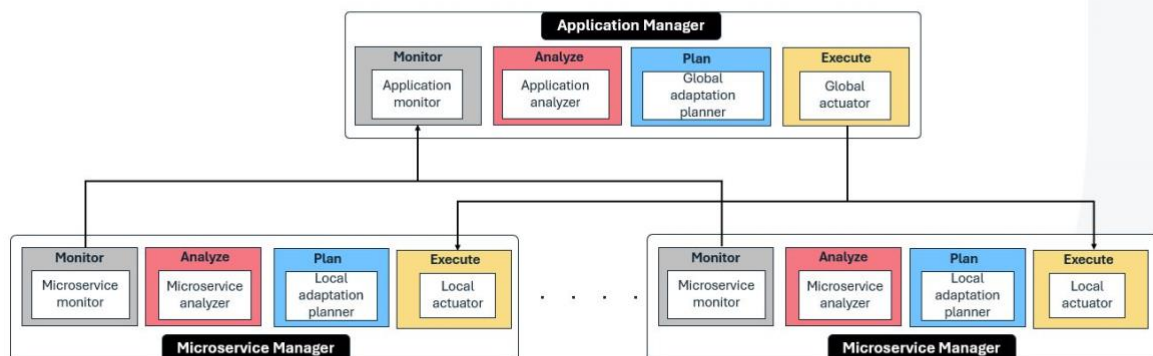

Invited Talk – Maptek, Adelaide (2024)

Topic: Self-Adaptive Software Security and Scalability

Details: <https://lnkd.in/p/gxeQmGjv>

Hierarchical MAPE Control Architecture

Exploits strengths of both centralized and decentralized control architectures and mitigate their drawbacks.

Increased coordination

Separation of adaptation goals

Increased robustness

Reduced complexity
